

WEBLIST 40G - JULY 2010

We are, at least temporarily, back on schedule. June was spent closing our auction, invoicing, packaging and shipping. When we finished that we spent 5 days in hot and humid Kansas with our grand-children (and their parents) with a one day side trip for Bill going to St. Louis to purchase coins. We started off July with a very successful coin show in Colorado Springs and within a few weeks we'll be getting ready to leave for the ANA show in Boston.

This list is mostly all new purchases in all price ranges including some high grade Roman coins, a few inexpensive Greek silver coins and a nice listing of world coins including US material. We hope to have a listing of Israeli and Palestine Currency Board Banknotes available in a few days as well

As usual there are no photos but we can send along an email image of most every item within 24 hours of your request.
